September 21, 2023 – The College of Southern Nevada is proud to announce the 12th Annual Short Film Showcase, featuring award-winning student films.

“It is truly a great joy of mine to see the hard work of our students be recognized each year,” said Sean Collett, CSN Videography & Film Program Director. “The film industry seems to be changing at an exponential pace and I am very proud of how quickly our students adapt to the new challenges.”

Several winners will be among the 16 films screened at the Showcase. Following the screenings there will be a Q&A with the audience. It is free and open to the public. Media interviews with Professor Collett and student film makers are available upon request.
